Mission Statement

Dorcom Limited is a specialist security systems provider who is dedicated to the quality that will ensure that its products and services fully meet the requirements of its customers continually. The company aim is to achieve the highest level of customer satisfaction at all times. Commitment to the implementation of supporting processes and practices within the managerial and business operation is essential to realising the standards that we have set ourselves for servicing, maintaining, installing and supplying quality security products.

Service with peace of mind since 1974, we ensure that we fully understand and comply with the needs of our customers. Our service provision processes are up to date and continually monitored to identify all potential errors and the necessary corrective action is taken whilst ensuring that, all of our employees and sub-contractors understand how to do their jobs and achieve first time excellence for the customer through structured training programs.
